I would like to congratulate you for your many achievements which have contributed in making Roosevelt a well known athletic and scholastic institution during this past year.

This could not have been accomplished without the guidance of our tremendous faculty. I would like to express my sincere gratitude to the faculty members who have inspired our students to strive for superior achievement in all endeavors.

You, the graduating classes of Winter and Summer 1966, have been outstanding. May your lives continue to be rich and rewarding. I wish you joy and success in all your future efforts.
